Case Number: **1:21-cv-03351**

Judge: **Charles Norgle**

Magistrate Judge:

I'm requesting that all documents that I filed, in this case, be sealed for the safety of myself and my family. Chicago police department, Cook County Circuit Court, and Cook County state attorneys office are constantly retaliating against me. I have proof of them doing so via audio and video. I'll be filing a civil lawsuit against them. All of a sudden since I asked for my registered gun back the case is indicted. I have been a target of Cook County corruption since I been 14. It's time to fight back. I'm tired of being bullied.
